

CheckVideo Release Notes 10/23/18

The CheckVideo portal will undergo maintenance on Wednesday October 24th. During this brief update, events will still flow to the portal, but users may not be able to login. The update should last approximately 5 minutes.

After the maintenance window, the CheckVideo login page will sport a new look. Continue to access the CheckVideo portal via the URL portal.checkvideo.net and using your existing user name and password.

A screenshot of the new CheckVideo login page. At the top is the CheckVideo logo. Below it is the word "Login" in a simple, dark font. There is a text input field with the placeholder text "email" and a small blue arrow icon on the right side. Below the input field, the text "Email is required" is displayed in a small, red font. Underneath that is a solid orange button with the word "Next" in white text. At the bottom of the page, there is a link that says "Forgot password?" in a blue, underlined font.
